

Block Party Social

miEnergy will happily provide \$400 for food, drinks and other supplies.

Celebrate your new solar panels with a social event for family, friends and neighbours to enjoy. You are in complete control of the guest list!

miCommunity Fund

Please contact us to discuss the details of your initiative.

We commit \$100 from every project to the miCommunity Fund, which exists to support the local community. If your initiative is helping to strengthen the surrounding community, we'd love to lend a helping hand.

Sponsorship Opportunities

Please contact us to discuss the details of the sponsorship.

We would love to support local events that benefit the wellbeing of the surrounding community.

Video Feature

miEnergy will incur all costs related to the production and promotion of the video.

Many of our customers have interesting and unique stories surrounding their decision to go solar. We want to share that story through video!

Customer Profile

Have you and your project featured with a photo and write-up for distribution on our website and social media.

Testimonial

Submit a few sentences on your experience with miEnergy! This could include a photo of you and your family in front of your new installation.
